

Bullitt

BY
Larry vs Harry

Urban Bullitt, main focus is aesthetics, durability and colourways. Extending the Copenhagen bicycle culture to a new level. The urban alternative to a car - take your boyfriend to the park or pick up the pizza orders for all your friends.

Larsen & Nielsen of Copenhagen - Copenhagen

The Bullitt for families is like a cargo bike version of a Swiss army knife. There are endless possible combinations of accessories like boxes, covers, seatbelts etc. The Bullitt is the fastest, lightest and most durable cargo bike available today.

WHAT'S IN THE BOX

Complete bike

Complete set of bike components needed for riding, frame set and an AHCUS frame lock.

Frame kit

Frame, front fork, steering arms and rod with clamp, spacers, kickstand, 2 FSA headsets and a dropout kit
(please advise internal gearing, coaster brake or external gearing. Single speed available May 2014).

Build for pros, ideal for the carpenter with tools or the bike messenger with deliveries. An environmentally friendly alternative to a small van. No trouble with parking tickets or traffic – and there's even a billboard for a custom logo.
